The image shows a technical drawing of a ruffled vest pattern piece. The drawing is oriented vertically on the page. It features a central vertical line, likely representing the center front or back. To the right of this line, there is a curved line representing the side edge of the vest. A blue line is drawn parallel to the curved side edge, indicating the placement of a ruffle. A vertical dashed line is drawn to the right of the blue line, and a dimension line with arrows at both ends is positioned between the blue line and this dashed line. The letter 'D' is placed next to this dimension line, indicating the width of the ruffle. The drawing is enclosed within a dashed rectangular border, with small crosshair marks at the corners.
